

POWER EZ 2 LIFT

Item# F-PEZPL2

The Power EZ 2 Lift is a great economical choice to assist individuals in accessing their pool or spa.

This lift provides a fully automatic actuator to raise and lower with 360 degrees manual rotation. The lift can accommodate walls up to 16 inches high and can be set back up to 20 inches from the pool edge.

The Power EZ 2 Lift comes with a rotation bar allowing the attendant to rotate the unit with ease. This lift is easily portable for storage and/or relocation to another pool area.
